

SNPSECURITY

Quality security solutions. Delivered for your business, with personal attention and responsive service.

SNP Security is different. Enjoy the best of both worlds – with personal attention and responsive service, backed with the expertise of Australia's largest, privately-owned security company.

Keeping you informed and in control

Maintaining a close eye on your business is important. Not only does security protect your business, but it can also help you manage it.

You can't be in all places at once, but effective security measures can.

Valued and strong relationships

SNP Security cares about each customer. We take the time to understand your business and security objectives, tailoring a security solution that delivers your ongoing needs.

The SNP Security team is empowered to respond quickly, commit to a solution, and follow-through. And that's our commitment from all levels of the company.

High quality

People, products and process; SNP Security delivers quality in all key areas.

Our staff are excellent. Rigorous recruitment, and ongoing training, ensures your company will receive excellent technical advice and friendly, professional customer service.

Security solutions are devised, utilising world class technologies, to offer the best value for each client; balancing your technical requirements against budget.

Quality certified since 1997, SNP Security consistently surpasses the industry-average, service levels. A committed, business improvement team monitors and continuously improves all standards.

Integrated security, for all Australian business

SNP Security is an integrated security company, with national capability.

As your needs change, SNP Security has the depth in resources and capability to deliver.

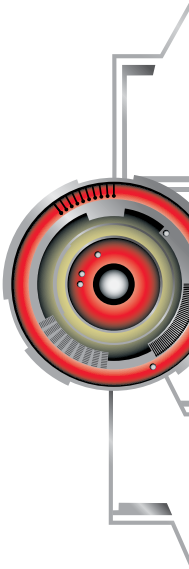

Our professional services are provided to a range of industries, and across all sizes of business.

Strength and experience

Established in 1923, SNP Security is a long-term partner with deep understanding of the security needs for Australian business.

Owned and operated by the founding Roche family, our commitment to service excellence and safeguarding Australian business has remained constant for over 85 years.

SNP Security has experienced enviable growth. As the largest, privately owned security company in Australia, SNP Security continually reinvests into the company – the benefits of which flow directly back to our customers and staff.

Through active support of community events and charities, SNP Security is committed to a thriving, safer community.
